Dear Members,

On behalf of all Canadian Cancer Society wig salon clients and volunteers, I cannot thank you enough for your generous donation of wig stands.

With the expansion of our wig salon into 2 Chartwell Residences we were able to support 182 clients with wigs allowing them to face cancer head on. Your generous donation will allow us to not only display our wigs in a professional manner but also to allow patients to do so at home as well.

It is only with the support of volunteers and donors like yourself we are able to provide services like the wig salon, Wheels of Hope and others to those needing assistance in our community. We are also proud to be the largest charitable funder of cancer research in Canada and are committed to our vision to create a world where no Canadian fears cancer.

If interested we would be honoured to come and speak to the membership about the Canadian Cancer Society services and prevention initiatives.

Thank you again for your dedication and support in the fight against cancer.

Yours truly,

Laura Lafantaisie
