

FOR SALE Kelton Hollowing set.

Includes

- hollowing rig,
- 3 knives,
- handle with extension,
- laser cutting tip tracker frame & laser

Knives: 19" long
Handle : 15-1/4 " long
Handle extension: 5-3/4" long

I used this on my General 260 lathe. I have since sold my lathe, and this hollowing rig doesn't fit the new smaller one I now have.

On the Lee valley site a smaller set of 3 knives is priced at \$195 and the handle with extension is priced at \$123. Lee valley doesn't sell the rig.

Asking for \$350 for the complete set
